## LASALLE READS – GRADE 10

**LASALLE Reads** is an exciting program at La Salle Academy that highlights the commitment and importance of reading as part of a rigorous, college-bound, high school education.

Every summer, **each class of incoming freshmen, and rising sophomores, juniors and seniors are required to read a set of 4 books**, as outlined by the English Department. These separate, grade-specific reading lists are required reading, and must be completed by the first week of school; as are the single page summaries, one per book read. The mandatory reading lists, and the extra reading lists, are attached.

As part of the program, students who come back from Summer Vacation having read *TEN (10)* books or more, will be acknowledged with a certificate as a **LA SALLE READER**. The books must be from the approved attached lists. Each book must be accompanied by a summary sheet (one per book) that must be **typed** and completed in the format attached to this memo. All **LA SALLE READERS** that have successfully reached this ten- book threshold AND have handed in their approved **typed** book summaries by September 13th, will be invited to a Presidential Luncheon at the end of September, co-hosted by the La Salle English Department. In addition, all **LA SALLE READERS** will be awarded the gift of *NO BOOK FEE* for the academic year following that summer of reading.

In addition, the student that successfully reads the **MOST** books per grade will receive an additional stipend of \$250 that will be taken off their tuition for the academic year. If there is a tie, the English Department Chair, Ms. Patricia Toney, who guides this program, will determine the grade-level winners based on the quality of the summaries.
