

Welcome to Lasallian Patrons

This vital program is the cornerstone of our fundraising efforts to provide a rigorous college-preparatory Catholic high school education to young men most in need. For nearly three decades, thousands of students have benefited from Lasallian Patrons, benefactors who help families bridge the gap between the cost of tuition and what they can afford to pay for a Catholic high school education at La Salle. Our program makes it possible for any family to give their son the Lasallian education and experience, regardless of their income level. You can transform the life of a student by becoming a Lasallian Patron today! Contribute to positive change in our world.

About La Salle Academy

Since 1848, the Brothers of the Christian Schools (De La Salle Christian Brothers), in association with dedicated men and women, both lay and religious, have conducted La Salle Academy as a private, college-preparatory, Catholic high school for young men.

La Salle is part of a network of Lasallian schools that spans 80 countries and serves over one million students from kindergarten through graduate school. La Salle is among the oldest all-male Catholic high schools in New York City, providing educational, spiritual and athletic opportunities to young men for over 170 years.

Located in the heart of Manhattan's East Village, La Salle Academy has earned a reputation that attracts students from all five boroughs of New York City as well as Long Island, New Jersey and Westchester County. La Salle is accredited by the Middle States Association of Colleges and Schools.

Our Mission

The mission of La Salle Academy, a rigorous college-preparatory high school, is to educate students of diverse cultural and socioeconomic backgrounds with special outreach to those most in need. We provide a nurturing environment, which fosters spiritual, moral, intellectual, emotional and physical growth in the Roman Catholic tradition and the Lasallian spirit, as embodied in Saint John Baptist de La Salle.

We create experiences of community within the school and encourage each student to develop his gifts and talents for his own growth, as well as to engage in the caring service of others, through academic, extra-curricular and spiritual programs.

of La Salle's student body receives need-based tuition assistance

You will make a huge impact on financially challenged families who struggle to pay the annual tuition of \$11,000. As a consequence of the pandemic, more families are in need.

"Having a Lasallian Patron has made me strive to succeed because I know someone has their faith and money going into my education. Thank you for investing in me, my education, and my future."

Our Students

We pride ourselves on the rich cultural diversity of our student body and the opportunities we provide to these young men through a Catholic education in the Lasallian tradition. Since our beginning in 1848, La Salle Academy has been a place where young men from all socioeconomic groups are able to find a high-quality college-preparatory education in a safe and nurturing environment. Our tuition is currently at a reasonable \$11,000, however, it is still not low enough for many of our students' families to afford. As a Lasallian Patron, you will help a La Salle student's academic dreams come true, putting him on a path to lifetime success and further benefiting our society.
