## Your Participation Benefits Our Students

Many students come to La Salle Academy facing economic, social, personal, and academic challenges and their families struggle to pay the \$12,000 we charge for annual tuition. In fact, two-thirds of our students receive need-based tuition assistance. Many of our students and their families want to choose La Salle Academy and you help make it an affordable option because your donation benefits our tuition assistance fund.

Despite the challenges they face, La Salle's graduates have proven to be successful; 100% of our graduates are accepted to colleges and universities prepared to continue their education and our class of 2022, consisting of 57 students, earned over \$17 million in scholarships and grants to attend college.

Your participation in our Cardinal Classic Golf Outing as a golfer, dinner attendee, sponsor, or donor will help us continue to provide the young men entrusted to our care a quality college-preparatory education in a secure, nurturing, and disciplined environment. Our last Cardinal Classic Golf Outing raised \$72,000. Help us reach \$75,000 this September! With your generosity, our students, many of whom may not have had the opportunity to excel otherwise, will continue to thrive. Thank you for engaging and investing in our mission!
